

**STATE OF SOUTH CAROLINA
RESIDENTIAL PROPERTY CONDITION DISCLOSURE STATEMENT
INSTRUCTIONS TO PROPERTY OWNERS**

1. South Carolina Code of Laws Ann., Title 27, Chapter 50, Article 1 requires that an owner of residential real estate (single-family homes and buildings with up to four dwelling units) shall provide to a purchaser this property condition disclosure statement, which must be completed prior to signing a contract of sale. This disclosure statement must be provided in connection with the sale, exchange, option and sale under a lease with an option to purchase. This disclosure statement is not required for some transactions. A complete list of exemptions may be found in S.C. Code Ann., Section 27-50-30.

2. You must check one of the boxes for each of the questions on this form.
 - a. If you check “Yes” for any question, you must explain the problem or attach a descriptive report from an engineer, contractor, pest control operator, or other expert or public agency. If you attach a report, you will not be liable for any inaccurate or incomplete information contained in the report as long as you were not grossly negligent in obtaining or transmitting the information.

 - b. If you check “No” for any question, you are stating that you have no actual knowledge of any problem. If you check “No” and you know there is a problem, you may be liable for making an intentional misrepresentation.

 - c. If you check “No Representation” for any question, you are stating that you are making no representation regarding the conditions or characteristics of the property, but you may have a duty to disclose even if you know, or should have known, of them. Please consult with an attorney to determine any potential liability you may have for checking this answer.

 - d. If you check “Yes” or “No” for any question and, subsequently, something happens to the property to render your statement incorrect or inaccurate (for example, the roof begins to leak), you must promptly provide the purchaser a corrected statement or you may correct the problem.

3. If you are assisted in the sale of your property by a licensed real estate broker or salesperson, you remain solely responsible for completing and delivering this statement to the purchaser. The broker or salesperson must disclose any material facts about your property which he/she knows, or reasonably should know, regardless of your responses on this statement. You are to complete this form yourself and answer all questions truthfully and as fully as possible. Please consult with your attorney if you have any questions. By signing below, you acknowledge that the failure to disclose known material information about the property may result in liability.

4. You must provide the completed statement to the purchaser prior to the time you and the purchaser sign a contract to purchase your property or as the contract otherwise provides. You should provide the purchaser a copy of this statement containing your signature and keep a copy signed by the purchaser for your records.
