

Residential Sales Realtor® of Distinction Market Production Report

You must base your qualification on *this specific report*. If production is not under **your name** on the **FlexMLS Residential Sales Production Report** you must list it under “additional transactions” on the application or **it will not count**. **ONLY** transactions listed on the FlexMLS Residential Sales Production Report **plus** additional transactions *listed* on the application will be counted. To generate the Production Report, follow the step-by-step instructions below.

1. From the Statistics tab, select Inventory and Production

2. Select Production Report from the available menu

3. Enter your criteria:

- Date range of January 1, 2018 – December 31, 2018
- Select your office name from the Office Selection list
- Select to “Show activity from prior offices” IF you have transferred offices anytime in 2018.
- Select all property types EXCEPT Rentals

Production Report
